Tyler Phelps, son of Brian (Sioux Falls) instructed the students of Dell Rapids St. Mary's on the use of night vision goggles. The kids enjoyed the presentation!

Working Together as a Family in 2019!

It's a new year and a perfect time for a fresh start.
What can each of us do to make 2019 better than 2018?

L. G. Everist, Inc. is a company that embodies family values. Just as in our family life, we have the opportunity to make a difference each day. We can elect to take that opening and make wise choices. The opportunity may be small in its own right, but huge in the impact on overall success.

As Rob Everist said in his recent Roxsand article, each LGE employee is important to him. Each one of us makes decisions every day. Let us strive to make those wisely. Talk about your ideas with your colleagues, collaborate with your manager. Some of the simplest ideas can lead to astounding results.

We all have one thing in common. We all have the same amount of time to make a difference – 24 hours a day, 168 hours a week, 672 hours a month and 8,760 hours to make 2019 a great year. **Let's make every moment count!**

¡Trabajando juntos como una familia en 2019!

Es un año nuevo y un momento perfecto para un nuevo comienzo.
¿Qué podemos hacer cada uno de nosotros para que 2019 sea mejor que 2018?

L. G. Everist, Inc. es una empresa que encarna los valores familiares. Al igual que en nuestra vida familiar, tenemos la oportunidad de marcar la diferencia cada día. Podemos optar por tomar esa apertura y tomar decisiones sabias. La oportunidad puede ser pequeña por derecho propio, pero enorme en el impacto en el éxito general.

Como dijo Rob Everist en su artículo reciente de Roxsand, cada empleado de LGE es importante para él. Cada uno de nosotros toma decisiones todos los días. Luchemos por hacerlos sabiamente. Hable de sus ideas con sus colegas, colabore con su gerente. Algunas de las ideas más simples pueden conducir a resultados asombrosos.

Todos tenemos una cosa en común. Todos tenemos la misma cantidad de tiempo para hacer una diferencia: 24 horas al día, 168 horas a la semana, 672 horas al mes y 8,760 horas para hacer de 2019 un gran año. **¡Hagamos que cada momento cuente!**
