Safety First

Safe. Reliable. Productive. These values are an integral part of L.G. Everist, and Safety should always be at the forefront of everyone's mind. Today we proudly acknowledge recent safety awards presented to three of the Colorado sites for the year 2022. These awards, presented by CSSGA (Colorado Stone, Sand & Gravel Association), recognize sites with consecutive years of no reportable accidents, restricted duty, or lost time.

Kelker Site

Kelker earned the Gold Safety Operator Award recognizing 8 consecutive years with no lost time or restricted duty incidents.

Mark Miller, Christian Miller, and Dusty Ruehlen operate this transload only facility in Colorado Springs, handling hydrated lime and hi cal quicklime.

June 4

Picture of some of the Carbon Valley Team

Carbon Valley received the Platinum Safety Operator Award recognizing 14 consecutive years with no lost time or restricted duty incidents.

Focused on road base products, this sand & gravel operation is based in Longmont.

Picture of some of the Firestone Team

Firestone earned the Silver Safety Operator Certificate recognizing 3 consecutive years with no lost time or restricted duty incidents.

Located in Longmont, this site is primarily focused on washed sand & gravel aggregates.

Jason Ohlheiser leads Firestone and Carbon Valley with nearly 25 dedicated team members.

Colin Taylor

Colin has played an instrumental role within the Mountain Division, serving as a dedicated Plant Manager for both Fort Lupton and Ragsdale. His contributions were crucial to the successful establishment of the new Ragsdale Plant.

This week, the Mountain Division gathered to express deep appreciation for his invaluable contributions.

As he embarks on his next chapter, relocating to the Midwest, Colin will continue his work with L.G. Everist as a Mine Project Engineer.

Colin's Top 5 TV Shows:

1. **The Office**
 2. **Seinfeld**
 3. **Homeland**

Brower Legacy in Sioux City

Byron Brower was a contractor, a partner, an innovator but most of all a friend to the Everist family. He was legend in Sioux City in asphalt paving, most notably founding Brower Construction Company (now Knife River Midwest, LLC). He was also the driving force in establishing Jebro, Inc. as an innovator in the oil supply business. Initially Jebro began as a partnership between L.G. Everist, Inc., the Irving F. Jensen Company and Brower Construction that henced the name.

Jensen / Everist / Brower (JEBRO**)**

Sadly, Byron passed away in 2016. Mr. Brower was a larger than life character whose memory lives on. The Byron Brower Fountain Dedication will be held in Sioux City, IA, June 2, 2023.
