Summit Plant News

It felt like Summit, SD, had six months of winter. Now with more favorable weather, our crew is now in full production.

Summit received two feet of snow in the first week of April. Maintenance and snow removal was a challenge for our crew.

We finally started production at the end of April at the Summit plant.

Monty Pearson is locking out a log washer and adding a **"DO NOT OPERATE"** tag prior to the maintenance.

Michael Miller and Monte Pearson focus on safety by wearing harnesses in preparation for installing new belts on the log washer.

Neil has been loading trucks for forty-six (46) years at the Summit plant. He plans to hang up his hard hat at the end of the season for retirement.

Neil also farms and raises cattle. Neil enjoys spending time with the grandchildren and playing cards in his spare time.

Thank you Neal, for all your dedication, commitment and years of service at our Summit plant.

Dale Billie - **Superintendent /Summit Plant**

Listening Skills

Discovering your “ear” is more important than discovering your “voice.”

Leadership begins and ends with listening.
